

TransAct's BOHA! Hardware and Software Ecosystem Featured by Food and Beverage Tech Review

September 16, 2019

BOHA!™ Cloud Services and Apps Address Key Restaurant and Foodservice Industry Back-of-House Needs

HAMDEN, Conn.--(BUSINESS WIRE)--Sep. 16, 2019-- TransAct® Technologies Incorporated (Nasdaq: TACT) ("TransAct" or "the Company"), a global leader in software-driven technology and printing solutions for high-growth markets, and its BOHA! hardware and software ecosystem for back-of-house restaurant and foodservice operations was [featured](#) recently on the [Food and Beverage Tech Review](#) platform as a Top 10 Food Safety Tech Company for 2019.

Bart C. Shuldman, Chairman and CEO of TransAct Technologies, said, "Industry recognition of our revolutionary BOHA! platform continues to grow as deployment momentum among operators of all sizes from across the restaurant and foodservice landscape builds. Our recent recognition by Food and Beverage Tech Review as a Top 10 Food Safety Tech Company for 2019 list is the latest acknowledgement of the power and innovative capabilities of the BOHA! solution, the industry's first single-source platform that provides a wide variety of software-driven back-of-house functions. As BOHA! makes its way into more kitchen and food prep locations, operators are increasingly appreciating how this hardware and cloud-based SaaS app ecosystem – in concert with TransAct's proprietary label solutions – drives cost savings and improves efficiency. We are delighted that Food and Beverage Tech Review, a leading knowledge platform for operators and suppliers from across the food and beverage technology industry, has chosen to recognize TransAct and BOHA! as a leading food safety technology provider. Our solution is completely one-of-a-kind and we believe Food and Beverage Tech Review's readers will benefit from what BOHA! can bring to their operations."

BOHA! is the first single-vendor solution to combine applications for Inventory Management, Temperature Monitoring of Food and Equipment, Timers, Food Safety Labeling, Food Recalls, Checklists & Procedures, Equipment Service Management and Delivery Management in one fully-integrated platform. Each BOHA! solution combines cloud-based SaaS applications with hardware and accessories to deliver superior results for critical back-of-house operations. BOHA! offers a one-stop solution for restaurants and food service companies to address their current back-of-house operating requirements while providing a future-ready platform capable of addressing back-of-house operations as they continue to evolve. BOHA! Terminal includes TEMS (TransAct Enterprise Management System) to ensure only approved apps and functions are available on the device.
