## TransAct Receives 2015-2016 Supplier Performance Award from Konami Gaming

### Fourth Consecutive Year of Recognition for TransAct and its Epic 950® Printer

HAMDEN, Conn.--(BUSINESS WIRE)-- TransAct Technologies Incorporated (Nasdaq:TACT) ("TransAct" or "the Company") a global leader in software-driven technology and printing solutions for high-growth markets, is pleased to announce that it has again been recognized with the Konami Supplier Performance Award for its industry-leading Epic 950® TITO printer. The award was presented by Konami Gaming, Inc. ("Konami Gaming" or "Konami") during the 2016 Global Gaming Expo in Las Vegas, Nevada.

Key criteria used to determine eligibility for Konami Gaming's annual Supplier Performance Award include robust and reliable product performance, consistent on time delivery, and superior sales support and customer service. Supplier performance is measured by a variety of Konami's business departments and winners must meet numerous critical criteria accomplishments in order to achieve this award.

"Receiving this prestigious award for the fourth consecutive year is a great honor and exemplifies TransAct's company-wide commitment to consistently meet or exceed customer expectations," said Bart C. Shuldman, Chairman and Chief Executive Officer of TransAct Technologies. "We strive to provide cutting edge, technologically advanced solutions that address the unique needs of the global gaming industry and work tirelessly to ensure that our customers have the best in 24/7 support and service. We are proud of our long-term relationship with Konami Gaming and look forward to meeting their printer needs in the future."

"We are very pleased to be part of an elite group of Konami Gaming suppliers and to be the only TITO printer manufacturer to achieve this recognition for four consecutive years," Mr. Shuldman concluded.

James Sargeant, Senior Director, Manufacturing of Konami Gaming, Inc. said, "Relationships are key, even in business as we seek to remain competitive. TransAct, a supplier that has excelled with its cost, quality and delivery, reminds us that continuous improvement is never over."

The reliability of TransAct's award-winning Epic 950 printer has made it the casino printer of choice. Easily integrated into all game types, both legacy and new, the Epic 950 is installed in over 500,000 slot machines worldwide. The Epic 950 is fully compatible with the Epicentral® promotional coupon system, which provides for the real-time delivery of eye-catching personalized promotions and bonus offers directly to players at the gaming machine. In addition, the Company's TicketBurst™ technology easily eliminates player/ticket interference.

### About TransAct Technologies Incorporated
