TransAct Technologies and Avery Dennison Corporation Settle All Outstanding Litigation

HAMDEN, Conn.--(BUSINESS WIRE)-- TransAct Technologies Incorporated (Nasdaq:TACT) ("TransAct" or "the Company"), a global leader in market-specific solutions, including printers, terminals, software and other products for transaction-based and other industries, announced today that the Company and Avery Dennison Corporation have resolved the dispute which was the subject of the lawsuit filed by Avery Dennison to the parties' mutual satisfaction.

"With this litigation behind us, management can now commit its full attention to our existing businesses and our many long-term growth opportunities," said Bart C. Shuldman, Chairman and CEO of TransAct Technologies. "The Company's Board of Directors remains committed to returning capital to shareholders through ongoing quarterly dividends and our existing stock repurchase program. However, we have decided to cancel the non-discretionary, pre-scheduled Rule 10b5-1 trading plan that was part of our stock repurchase authorization which was otherwise scheduled to end on April 30, 2015. Our current share repurchase authorization remains in effect with approval to purchase shares from time to time and as market and business conditions warrant."

About TransAct Technologies Incorporated

TransAct Technologies Incorporated is a leader in developing and manufacturing market-specific solutions, including printers, terminals, software and other products for transaction-based and other industries. These industries include casino and gaming, lottery, food safety, banking, point-of-sale, hospitality, oil and gas, and medical and mobile. Each individual market has distinct, critical requirements for printing and the transaction is not complete until the receipt and/or ticket is produced. TransAct printers and products are designed from the ground up based on market-specific requirements and are sold under the Ithaca®, RESPONDER, Epic, EPICENTRAL® and Printrex® product brands. TransAct distributes its printers and terminals through OEMs, value-added resellers, selected distributors, and direct to end-users. TransAct has over 2.5 million printers and terminals installed around the world. TransAct is also committed to providing world-class printer service, spare parts, accessories and printing supplies to its growing worldwide installed base of products. Through its TransAct Services Group, TransAct provides a complete range of supplies and consumable items used in the printing and scanning activities of customers in the hospitality, banking, retail, gaming, government and oil and gas exploration markets. Through its webstore, <http://www.transactsupplies.com>, and a direct selling team, TransAct addresses the on-line demand for these products. TransAct is headquartered in Hamden, CT. For more information, please visit <http://www.transact-tech.com> or call 203.859.6800.

Forward-Looking Statements

Certain statements in this press release include forward-looking statements. Forward-looking statements generally can be identified by the use of forward-looking terminology, such as "may", "will", "expect", "intend", "estimate", "anticipate", "believe" or "continue" or the negative thereof or other similar words. All forward-looking statements involve risks and uncertainties, including, but are not limited to, customer acceptance and market share gains, both domestically and internationally, in the face of substantial competition from competitors that have broader lines of products and greater financial resources; our competitors introducing new products into the marketplace; our ability to successfully develop new products; our dependence on significant customers; our dependence on significant vendors; dependence on contract manufacturers for the assembly of a large portion of our products in Asia; our ability to protect intellectual property; our ability to recruit and retain quality employees as the Company grows; our dependence on third parties for sales outside the United States, including Australia, New Zealand, Europe, Latin America and Asia; the economic and political conditions in the United States, Australia, New Zealand, Europe, Latin America and Asia; marketplace acceptance of new products; risks associated with foreign operations; the availability of third-party components at reasonable prices; price wars or other significant pricing pressures affecting the Company's products in the United States or abroad; risks associated with potential future acquisitions; our new line of food safety and oil and gas products will drive increased adoption by customers; the outcome of the lawsuit between TransAct and Avery Dennison Corporation; and other risk factors detailed from time to time in TransAct's reports filed with the Securities and Exchange Commission. Actual results may differ materially from those discussed in, or implied by, the forward-looking statements. The forward-looking statements speak only as of the date of this release and the Company assumes no duty to update them to reflect new, changing or unanticipated events or circumstances.
