Item 4. Purpose of Transaction

The Reporting Persons acquired shares of Common Stock of the Issuer for investment purposes. During the time of the Reporting Persons' investment, the Reporting Persons have been disappointed by the lack of progress regarding the Issuer's financial performance and corporate governance. The Reporting Persons believe that the Issuer will benefit from Grand Slam Asset Management taking a more active stance with regards to the Reporting Persons' investment in the Issuer. Accordingly, Grand Slam Asset Management sent a letter dated December 18, 2018 (the "**Letter**") to the Board of Directors of the Issuer (the "**Board**") discussing, among other things, its concerns about the Issuer's financial performance and its current intent to (i) support the expansion of the Board to include additional industry veterans and (ii) support the replacement of the Wall Street-experienced director with a director who has both Wall Street experience and who is, and has been, heavily committed to the Issuer's success from both an operating and stock performance perspective. The foregoing is qualified in its entirety by reference to the Letter, which is attached hereto as Exhibit 99.2 and incorporated by reference herein.

The Reporting Persons intend from time to time to review their investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and for shares of Common Stock of the Issuer in particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Persons will take such actions in the future as the Reporting Persons may deem appropriate in light of the circumstances existing from time to time, which may include further acquisitions of shares of Common Stock of the Issuer or disposal of some or all of the shares of Common Stock of the Issuer currently owned by the Reporting Persons or otherwise acquired by the Reporting Persons, either in the open market or in privately negotiated transactions.

In pursuing its investment purposes, the Reporting Persons plan to monitor the Issuer's operations, prospects, business development, management, competitive and strategic matters, capital structure, and prevailing market conditions, as well as alternative investment opportunities, liquidity requirements of the Reporting Persons and other investment considerations. Consistent with their investment research methods and evaluation criteria, the Reporting Persons have in the past and may in the future discuss such matters with one or more shareholders, officers or directors of the Issuer, industry analysts, existing or potential strategic partners, investment and financing professionals, sources of credit and other investors. Such factors and discussions may materially affect, and result in, the Reporting Persons' modifying their ownership of Common Stock of the Issuer, exchanging information with the Issuer pursuant to appropriate confidentiality or similar agreements, proposing changes in the Issuer's operations, governance or capitalization, or in proposing one or more of the following actions: (a) the acquisition by the Reporting Persons of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) changes in the present board of directors or management of the Issuer; (e) a material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's articles of incorporation, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing any class of the Issuer's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to those enumerated above.

Except to the extent that the foregoing may be deemed to be a plan or proposal, none of the Reporting Persons currently has any plans or proposals that relate to or would result in any of the actions specified in clause (a) through (j) of Item 4 of Schedule 13D. Depending upon the foregoing factors and to the extent deemed advisable in light of their general investment policies, or other factors, the Reporting Persons may, at any time and from time to time, formulate other purposes, plans or proposals regarding the Issuer or the Common Shares, or any other actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) of Item 4 of Schedule 13D. The foregoing is subject to change at any time, and there can be no assurance that any of the Reporting Persons will take any of the actions set forth above.

To: The Board of Directors Transact Technologies Inc
RE: Board composition

Dear Directors;

Grand Slam Asset Management, LLC (“Grand Slam”) has been an investor in Transact Technologies Inc. (“TACT”) since 2013 and currently is TACT’s largest shareholder controlling about 7% of the outstanding stock. During the time of Grand Slam’s investment, we have remained passively invested as TACT’s management team has built a dominant position in the casino and gaming printer markets, and introduced an exciting product offering in the restaurant solutions business. Grand Slam believes that the restaurant solutions offerings provide the largest opportunity in the Company’s history.

However, given recent events and the Company’s poor stock performance, we believe that TACT will benefit from Grand Slam taking a more active stance with regards to our investment in TACT. Consequently, with the sending of this letter Grand Slam is modifying our SEC ownership filing to indicate our intention to influence management. Below are two thoughts which we wish to respectfully submit for the consideration of the Board.

Grand Slam believes that TACT will benefit from an expansion to the board of directors by two industry veterans: one with major restaurant chain operating experience and one with software development and sales experience. As interested shareholders, we believe that the next 24 months are critical to developing a leading position in the restaurant solutions marketplace. While we are mindful that TACT is still a small public company, this increased expertise at the board level should help with the transition into a much larger company with significant recurring revenues. Should the Board request it, Grand Slam would be happy to supply a list of names for your consideration.

Finally, Grand Slam is dismayed that at a time when TACT’s prospects are so bright, the only “Wall Street Veteran” on the board has been a heavy seller of the stock. We also note that this director owns 87,266 shares which is less than 1.2% of TACT’s outstanding stock. Grand Slam would welcome a change ensuring that shareholders have an outside financial board member who is and has been heavily committed to TACT’s success from both an operating and stock performance perspective.

We would welcome an open dialogue with TACT and its board of directors to discuss this and any other topics that may arise.

Regards,

Mitchell Sacks
