

## TRANSACT CEO SELLS SHARES

Wallingford, CT, June 16, 2005 - TransAct Technologies Incorporated (Nasdaq: TACT) a leading producer of transaction-based printers for customers worldwide, today announced that Bart C. Shuldman, TransAct's Chairman, President and Chief Executive Officer, sold 12,000 shares of TransAct's common stock in the open market to meet his 2004 personal income tax obligation. Shuldman will continue to have an aggregate of over 370,000 TransAct shares owned or under option.

Bart C. Shuldman, Chairman, President and Chief Executive Officer of TransAct Technologies commented, "As a major shareholder in TransAct my interests remain aligned with that of our shareholders. We continue to work diligently to meet our business objectives of growing the three business lines and of further strengthening the Company's financial and competitive position."

About TransAct Technologies Incorporated TransAct (Nasdaq: TACT) designs, develops, manufactures and markets transaction-based printers under the ithaca® name. In addition, the Company markets related consumables, spare parts and service. The Company's printers are used worldwide to provide receipts, tickets, coupons, register journals and other documents. TransAct focuses on two core markets: point-of-sale (POS) and banking, and gaming and lottery. TransAct sells its products to original equipment manufacturers, value-added resellers and selected distributors, as well as directly to end-users. The Company's product distribution spans across the Americas, Europe, the Middle East, Africa, the Caribbean Islands and the South Pacific. For further information, visit TransAct's web site located at [www.transact-tech.com](http://www.transact-tech.com).

CONTACTS: Steven DeMartino, Chief Financial Officer, 203-269-1198 Ext. 6059 or David Pasquale, 646-536-7006, or Denise Roche, 646-536-7008, both with The Ruth Group

Forward-Looking Statements: Certain statements in this press release include forward-looking statements. Forward-looking statements generally can be identified by the use of forward-looking terminology, such as "may", "will", "expect", "intend", "estimate", "anticipate", "believe", "project" or "continue" or the negative thereof or other similar words. All forward-looking statements involve risks and uncertainties, including, but not limited to, customer acceptance and market share gains, both domestically and internationally, in the face of substantial competition from competitors that have broader lines of products and greater financial resources; introduction of new products into the marketplace by competitors; successful product development; dependence on significant customers; dependence on significant vendors; the ability to recruit and retain quality employees as the Company grows; dependence on third parties for sales outside the United States, including Australia, New Zealand, Europe and Latin America; economic and political conditions in the United States, Australia, New Zealand, Europe and Latin America; marketplace acceptance of new products; risks associated with foreign operations; availability of third-party components at reasonable prices; and the absence of price wars or other significant pricing pressures affecting the Company's products in the United States or abroad. Actual results may differ materially from those discussed in, or implied by, the forward-looking statements. The forward-looking statements speak only as of the date of this release and the Company assumes no duty to update them to reflect new, changing or unanticipated events or circumstances.
