

TRANSACT TECHNOLOGIES RECEIVES NOTIFICATION OF APPROVAL BY IGT FOR USE OF ITS EPIC 950™ PRINTER ON ALL IGT USB SLOT MACHINE MODELS

Wallingford, CT - August 10, 2006 - TransAct Technologies Incorporated (Nasdaq: TACT), a leading producer of market specific printers for transaction-based industries worldwide, today announced that it has received notice that International Game Technology ("IGT") has tested and approved TransAct's Epic 950™ IGT USB printer for use in its existing and new slot machine platforms. IGT is a world leader in the design, development and manufacture of microprocessor-based gaming and video lottery products and software systems.

TransAct developed the Epic 950™ IGT USB printer in collaboration with IGT engineers enabling it to perform to IGT's stringent USB specifications. The printer meets the latest IGT USB specification and, once regulatory approvals are received, it will be available for all existing and new IGT gaming platforms.

TransAct's Epic 950™ IGT USB printer includes two game ports, NetPlex, and USB 2.0 Full Speed. In addition, the Epic 950 printer includes many extraordinary features including TransAct's exclusive TicketBurst™ technology that ensures the ticket is completely printed and detached before it is presented; and Hot Swap QDT, a feature allowing the casino to change printer mechanisms without powering down the slot machine for simple repair and replacement.

About TransAct

TransAct Technologies Incorporated (NASDAQ:TACT) is the leader in developing and manufacturing market-specific printers for transaction-based industries. These industries include gaming, lottery, banking and hospitality. Each individual market has distinct, critical requirements for printing and the transaction isn't complete until the receipt and/or ticket is produced. TransAct printers are designed from the ground up based on market specific requirements and are sold under the Ithaca® and Epic product brands. TransAct distributes its products through OEMs, value-added resellers, selected distributors, and direct to end-users. TransAct has over two million printers installed around the world. TransAct has a strong focus on the after-market side of the business, with a high commitment to printer service, supplies and spare parts. TransAct is headquartered in Wallingford, CT.
